* * * * *

Any publication or article listed in this bulletin may be borrowed free of charge from the Bureau of Information of the National Society for Crippled Children. Bibliographies listing similar articles, or loan package libraries containing additional literature on any of the subjects discussed in these articles, will be sent to any interested person upon request.

Articles appearing in the bimonthly magazine, THE CRIPPLED CHILD, or in the bimonthly news letter of the Society, THE CRIPPLED CHILD BULLETIN, are not listed in this bulletin.

A list of periodicals in which articles listed in this issue originally appeared, together with their addresses and prices, is given on page 7.

Bulletin on Current Literature

Prepared by Lillian Dowdell, Librarian

Issued monthly to affiliated state and local societies for crippled children, state agencies engaged in the treatment, education or vocational rehabilitation of cripples, and public or private institutions and agencies having Institutional Membership in the National Society for Crippled Children. Available also to other individuals and agencies who pay 50¢ a year to cover actual costs of materials and postage.

705. Andrews, Col. John N. Employer's Role in Taking Back Returning Veterans Explained. National Petroleum News, Sept. 6, 1944. 36:36:24,41-42,44,46.

Governmental services for, and industry's experience with, the disabled.

706. Bernstein, Walter. Goodbye Italy, Hello Bronx. The New Yorker, Dec. 2, 1944. 20:42:28-30.

Short story about a soldier's memories of battle and reaction to hospitalization.

707. Bernstein, Walter. Lament in Egypt. The Virginia Quarterly Review, Autumn, 1944. 20:4:525-530.

A short story showing emotional reaction of a young pilot discharged because of epilepsy incurred in combat.

708. Blair, Murray, M.D., C.M. and Robertson, C. E., M.D. Anterior Poliomyelitis in Pregnancy. The Canadian Medical Association Journal, Dec., 1944. 51:6:552-553.

709. Blanchard, Normal J. Making Curtains. School Arts, Dec., 1944. 44:4:137.

An arts and crafts project in an ungraded crippled children's class.

710. Blueprints for Recovery - II. Injuries to Hips, Back, Abdomen, Neck and Shoulders. Hygeia, Nov., 1944. 22:11:828-829; -III. Injuries to Elbow, Wrist and Fingers. Hygeia, Dec., 1944. 22:12:904-905. [Reprinted from "Handbook of Recovery." See article No. 498, Sept. Bulletin.]

711. Bouchard, Damis. "A Job for A Veteran - A Veteran for A Job." New Hampshire Health News, Dec., 1944. 22:12:219-220.

712. Briscoe, Major William S. Reconditioning. The National Elementary Principal, Oct., 1944. 24:1:8-14.

Tells of educational activities in the Army's convalescent care program.

713. Brown, Lt. Col. James Barrett. Reconstructive Surgery. The Trained Nurse and Hospital Review, Nov., 1944. 113:5:337-342.

714. Brown, Reeve M., M.D. Re-employment of Ex-Service Men and Women - III. Medical Program. Industrial Medicine, Dec., 1944. 13:12:1000-1003.

715. Clark, Elizabeth W., O.T.R. Orientation Course for Occupational Therapists Entering the Army General Hospitals. Occupational Therapy and Rehabilitation, Oct., 1944. 23:5:244-246.

716. Copellman, Fay S. Follow-up of One Hundred Children with Poliomyelitis. The Family, Dec., 1944. 25:8:289-297.

Based on a study of 1943 epidemic patients at New Haven Hospital, this paper "...deals with the function of the medical social worker and the [emotional and social] problems that arose subsequent to the discharge from the hospital or convalescent institution."

717. Crowley, Evelyn M., R.N. Convalescent Care in Heart Disease. The American Journal of Nursing, Dec., 1944. 44:12:1124-1128.

718. Deutsch, Albert. The Truth About Sister Kenny. The American Mercury, Nov., 1944. 59:251:610-616.
719. Disabled Veteran's' Auto Insurance Being Studied - Minimum Requirements, Tests Being Formulated. National Underwriter, Oct. 26, 1944. 48:43:21,26-27.
720. Dittrick, Capt. Alva R. Education in Reconditioning of War Wounded. Education for Victory, Dec. 4, 1944. 3:11:7-9.
721. Dye, Harold B., M.D. Veteran Placement. Industrial Medicine, Dec., 1944. 13:12:989-990.

How Northrop Aircraft employs at regular wages, convalescent patients at the Army's Birmingham Hospital.

722. Eighth Annual Report, Department of Assistance and Child Welfare, Year Ending June 30, 1944. Nebraska Board of Control, State House, Lincoln. 1944. 114 pp.

Includes report of Nebraska's treatment service for crippled children.

723. Elson, Mildred. Physical Therapy - A Growing Profession. Education for Victory, Dec. 4, 1944. 3:11:10,17.
724. Fish, Marjorie. Occupational Therapy in Rehabilitation. Occupations, Dec., 1944. 23:3:143-147.

Report on the American Occupational Therapy Association's survey of professional courses and the student recruitment program.

725. Fives, Anita Marie. Camp Fire Girls and the Handicapped. Spastic Review, Dec., 1944. 5:3:44-45.
726. Gill, Mary Elliott. Employment and the Spastic. Spastic Review, Dec., 1944. 5:3:16-17.
727. Gilliland, Esther Goetz. Music in the Treatment of the Sick. Hygeia, Dec., 1944. 22:12:896-897,958-959.
728. Goerlich, Arthur C. Rehabilitation and Reemployment of the Returning Veteran. Casualty and Surety Journal, Aug.-Sept., 1944. 5:7:1-13.

Emphasis is on former and future workers in the insurance business.

729. Goldberg, Hyman. Whose Morale? Atlantic Monthly, Dec., 1944. 174:6:103,105,107.

Telling of volunteers' efforts in an Army hospital, this patient writes, "Many times ... I was near screaming from a surfeit of entertainment."

730. Goodwill Report, A. Spastic Review, Dec., 1944. 5:3:7-9,12,46-48.

Reports from Goodwill Industries on their employment of the cerebral palsied.

731. Herdman, Allan W. They Don't Call Them Handicapped. National Safety News, Dec., 1944. 50:6:8-9,28.

The G. Barr and Company's handicapped employees [see also article No. 735] are a safety-minded and fast-working group.

732. Hines, Brig. Gen. Frank T. Education and Rehabilitation of Returning Veterans with Special Reference to the Provisions of Public Laws 16 and 346. The Journal of Educational Sociology, Oct., 1944. 18:2:73-80.
733. Hines, Brig. Gen. Frank T. G.I. Bill of Rights - The Rehabilitation and Protection of War Veterans. [Delivered at the 26th Annual National Convention of the American Legion, Chicago, Ill., Sept. 19, 1944.] Vital Speeches, Nov. 1, 1944. 11:2:57-62.
734. Howett, Harry H. Subsequent Injury Funds. Institutional Bulletin, No. 39, National Society for Crippled Children, Elyria, Ohio. Dec., 1944. 11 pp. Mimeographed.

Contains brief introductory statement on second injury clauses in workmen's compensation acts and five model bills drawn by different organizations.

735. Hubbard, Dana M. It's What You Have Left. Nation's Business, Nov., 1944. 32: 11:27,80,82-83.

How George Barr, an industrial chemist who had lost a leg, started his business which now employs 142 persons, of whom 127 are seriously physically handicapped. [See also article No. 731.]

736. Hullerman, Hugo V., M.D. Hospital's Role in the Treatment of Venereal Disease. Hospitals, Dec., 1944. 18:12:51-52.

737. Igoe, Celestine. Summer Experiment with Spastic Children. Quarterly Bulletin of the Illinois Association for the Crippled, Inc., Nov., 1944. 5:2:4.

738. Jackson, Nelson C., [with discussion by Mason, W. A.] Community Organization Activities Among Negroes for Venereal Disease Control. Social Forces, Oct., 1944. 23:1:65-73.

739. Jobs for the Disabled. Survey Midmonthly, Nov., 1944. 80:11:322.

Reports formation by representatives of U. S. industries of a National Rehabilitation Committee, Inc., to provide job opportunities for disabled veterans.

740. Karpovich, Peter V., M.D.; Starr, Lieut. Col. Merritt P.; and Weiss, Capt. Raymond A. Physical Fitness Tests for Convalescents. The Journal of the American Medical Association, Dec. 2, 1944. 126:14:873-877.

741. Keith, Janet R. Veteran Rehabilitation Plans of the English Speaking Nations: A Comparison. Canadian Business, Oct., 1944. 17:10:44-46, 128, 130.

742. Kinkead, Katherine Theobald. Miss Latimer and Her Kit B. The New Yorker, Nov. 11, 1944. 20:39:52, 54-58, 61-62.

On training and duties of a Red Cross military hospital recreation worker.

743. [Lenroot, Katharine F.] Statement Submitted to the Subcommittee to Investigate Aid to Physically Handicapped of the House Committee on Labor... Children's Bureau, U. S. Dept. of Labor, Washington 25, D. C. Nov. 29, 1944. 2 pp.

Urges expansion of the federal-state crippled children's program to provide more adequate services for the diagnostic groups now being served and to serve other groups, such as children with diabetes, epilepsy, tuberculosis, venereal diseases, and major allergic conditions; such a program would require \$20,000,000 annually. Reports 364,000 crippled children on state registers in 1943.

744. Lindgren, H. C. The Navy Counsels the War-Disabled. Occupations, Dec., 1944. 23:3:133-135.
745. McFarland, J. Wayne, M.D.; Billig, Lieut. Commander Harvey E., Jr.; Taylor, G. Mosser, M.D.; and Dail, Clarence W., M.D. Kenny Treatment Combined with Neurotripsy in Care of Poliomyelitis. Archives of Physical Therapy, Nov., 1944. 25:11:645-650.
746. McFarland, Ross A. Physically Handicapped Workers. Harvard Business Review, Autumn, 1944. 23:1:1-31.

Reviews industry's experience with physically handicapped workers, and tells of selective placement and industrial rehabilitation methods. Contains a special section on vocational rehabilitation of veterans.

747. McIntire, Hazel C. State Administration of Special Education. Journal of Exceptional Children, Dec., 1944. 11:3:74-78,89.
748. McKee, John D. I'm No Armchair Athlete. Spastic Review, Dec., 1944. 5:3:5-6, 49-52.

A "spastic" tells of his interest and participation in sports.

749. McNutt, Paul V. The Community's Stake in Vocational Rehabilitation. National Municipal Review, Sept., 1944. 33:3:403-405.
750. Making a Program Work...-Annual Report, Oct. 1, 1943 to Oct. 1, 1944. Iowa Society for Crippled Children and the Disabled, 404 Plymouth Bldg., 10th and Walnut Sts., Des Moines 9, Iowa. 1944. 7 pp.

Major activities reported are direct case service, home employment, camping, special education, and a club for parents of cerebral palsied children.

751. Martens, Elise H., Ph.D. Administration and Supervision of Special Education - A National Overview. Journal of Exceptional Children, Dec., 1944. 11:3:66-73.

Reports that some 400,000 exceptional children are enrolled in special schools and classes, while three to four or more millions of exceptional children are not being educated at all or are inadequately served. Tells of new programs developed in Michigan, Oregon, Wisconsin, Illinois, and Pennsylvania and calls attention to new types of services, such as school-work programs and all-day and all-year programs.

752. Mason, Frances L. Rest Cures for "Convoy Fatigue." Hygeia, Dec., 1944. 22:12:912-915,956-957.

Describes rest and convalescence centers for merchant seamen.

753. Metzner, Alice B. and Voelker, Paul H. Administration and Supervision of a City Program of Special Education. Journal of Exceptional Children, Dec., 1944. 11:3:79-86,92.
754. Miley, George, M.D., D.Sc. (MED.) Ultraviolet Blood Irradiation Therapy in Acute Poliomyelitis - Preliminary Report on 58 Consecutive Cases. Archives of Physical Therapy, Nov., 1944. 25:11:651-656.
755. Millet, John A. P. Honorable Discharge. The American Scholar, Autumn, 1944. 13:4:429-436. [more]

Discusses the public's and the family's reintegration of the war disabled.

756. Montgomery, Gladys. Government Will Help Mills Solve Problem of Returning Service Men. Textile World, Sept., 1944. 94:9:123,125,127.

Tells of governmental rehabilitation services; recommends establishment of veterans divisions in mill personnel departments.

757. Neverman, P. F. Sports for the Student. Safety Education, Dec., 1944. 24:4:126-127,154.

Changes in rules and equipment have reduced injuries to high-school athletes.

758. Newman, Margaret. Jane's Convalescence. The American Journal of Nursing, Dec., 1944. 44:12:1173-1176.

Mother writes Grandmother details of seven-year-old Jane's recovery at home.

759. Nicholson, Edna. Nursing Homes for the Severely Handicapped. Quarterly Bulletin of the Illinois Association for the Crippled, Inc., Nov., 1944. 5:2:6.

760. Nickell, Vernon L.; Cross, Roland R., M.D.; and Thompson, Frank G. A Basic Plan for Health Education and the School Health Program. Roland R. Cross, M.D., Director, Dept. of Public Health, Springfield, Ill. July, 1944. 80 pp.

761. Novis, Frederick W. Clinical Rehabilitation. Survey Midmonthly, Nov., 1944. 80:11:313-314.

The Connecticut vocational rehabilitation service brings together doctors, psychologists, social workers and employers to review handicaps and potentialities of its clients, recommend treatment or training, and provide employment.

762. Olson, Gladys T. Home Safety Preview. Safety Education, Nov., 1944. 24:3:90-91,110-111.

A safety checklist for the school home economics laboratory.

763. Physical Handicaps No Bar to Pilots. Aviation News, Oct. 16, 1944. 2:12:16,18.

The Civil Aeronautics Administrator announces that loss of a limb or similar structural defect will not prevent applicants from securing a student or private pilot certificate, if ability to fly safely can be proved.

764. Polio News. The Trained Nurse and Hospital Review, Nov., 1944. 113:5:335-336.

765. Porter, Amy. Portrait of a Soldier. Collier's, Oct. 28, 1944. 114:18:16,43.

Volunteer artists entertain wounded soldiers by sketching their portraits.

766. Report of the Iowa School Code Commission. 1944. The Iowa School Code Commission, Des Moines, Iowa. 105 pp.

Contains report on special education of the handicapped.

767. Reynolds, Quentin. They'll Fight Again. Collier's, Oct. 21, 1944. 114:17:17, 71-72.

On the convalescent reconditioning program of the Army Air Forces.

768. Rohret, Cecilia Healy. Problems in Convalescent Care. The Family, Dec., 1944. 25:8:309-312.

769. Schrott, Eugene. Rebuilding Bodies Broken in Battle. The New York Times Magazine, Nov. 12, 1944. Section 6, pp. 24-25.

Mrs. Lillian Bettinger has developed a material from which life-like artificial hands, fingers, toes, and other parts of the body can be made.

770. Selby, C. D. Job Placement for War Veterans. The Journal of Educational Sociology, Oct., 1944. 18:2:112-116.

General Motors Corporation's plan for veterans, including the disabled.

771. Sixteen-Year Minimum Age for Employment Proposed for 1945 Legislative Action. A. Children's Bureau, U. S. Dept. of Labor, Washington, D. C. Nov. 24, 1944. 4 pp.

772. Stackpole, Azuba. A Syllabus in Typewriting for Disabled Students. The Journal of Business Education, Sept., 1944. 20:1:17-18.

773. Stafford, Jane. Soldiers on the Mend--Reconditioning Speeds Recovery of Wounded Soldiers and Makes Able Men of Disabled; GI Hospital Life Includes Lessons and Quiz Sessions. Science News Letter, Dec. 9, 1944. 46:24:371-372.

774. Stephan, John C. How Business Papers Are Playing Role in Convalescence of Veterans. Hospital Management, Nov., 1944. 58:5:33-34.

Cleveland businessmen supply trade journals to the local Army hospital.

775. ^{Stephens}Stephens, Edgar T. The Annual Report of the Executive Secretary. Quarterly Bulletin of the Illinois Association for the Crippled, Inc., Nov., 1944. 5:2:1-2.

776. Struthers, R. R., M.D. The Management and Prevention of Rheumatic Fever. The Canadian Medical Association Journal, Nov., 1944. 51:5:416-422.

777. Training and Reference Manual for Job Analysis. War Manpower Commission, Bureau of Manpower Utilization, Division of Occupational Analysis and Manning Tables, Washington, D. C. June, 1944. 104 pp.

778. Vocational Rehabilitation for Disabled Persons - Biennial Report to the Governor July 1, 1942 to June 30, 1944. Board for Vocational Education, Rehabilitation Division, 601 Crocker Bldg., Des Moines 9, Iowa. 1944. 21 pp.

779. Vonachen, H. A., M.D. Utilizing Handicapped Workers. The Journal of Educational Sociology, Oct., 1944. 18:2:117-122.

780. When Joe Comes Home and Comes Back to the Farm. Bureau of Agricultural Economics, U. S. Dept. of Agriculture, Washington, D. C. Sept., 1944. 6 pp. folder.

Brief section on disabled points out that physical handicaps do not always lessen productivity, and emphasizes finding such veterans the right job.

781. Whims, H. C. Infantile Paralysis. Nebraska Educational Journal, Oct., 1944. 24:7:254-255.

782. Work Injuries in the United States During 1943. Monthly Labor Review, Nov., 1944. 59:5:905-908.

"The total estimate of 2,414,000 disabling injuries during 1943 represents an increase of about 6 percent over the 1942 total. ... Permanent total disabilities remained nearly constant, at 1,700. Permanent partial impairments increased from 100,800 to about 108,000..."

783. Wounded Veteran Gets a New Face - Sgt. Charles Wise, Badly Hurt in Battle, Gets New Features, a College Education and a New Start in Life, A. Life, Nov. 6, 1944. 17:19:79-804.
784. Zimmerman, A. J.; Waldron, R. W.; and Jenkins, I. Dent. Re-employment of Ex-Service Men and Women - II. Job Analysis for Sound Placement. Industrial Medicine, Nov., 1944. 13:11:910-914.
785. Zeiter, Walter J., M.D.; Gamble, Shelby, M.D.; and Grove, Bell. A Comprehensive Rehabilitation Center. Archives of Physical Therapy, Nov., 1944. 25:11:657-664.

Describes following services offered in a rehabilitation center: medical social work, physical therapy, occupational therapy, speech therapy, vocational counseling and training.

New Books in the Loan Library

786. Levy, Harold P. Building a popular movement. Russell Sage Foundation. 1944.
787. Wampler, Fred J. [editor]. The principles and practice of industrial medicine. Williams and Wilkins Company. 1943.
